

Register by August 7th, 2010 to enter your team into the First Annual Alumni Flag Football Tournament to be held at Chilhowie Rec Park on August 13th and 14th.

Because flag-football is not an actual high school sport I am allowing up to three players per team to play who did not play football in high school; however, these players must have attended the school they are representing. Here are some rules to follow when forming your teams:

--Maximum of 12 players per team, minimum of 7.

--All players must have attended the school they represent even if they did not play high school football

--All but three players must have played high school football for at least one season. Please note the ones who did not on your registration form.

--Each player will pay **\$10** to participate. This pays for everything we need including water, Gatorade, refs, equipment, trophies, and whatever else we may need.

--Teams from Lebanon and John Battle can play as long as their players participated in the Hogoheegee for at least one year.

Other Notes

*I will post the rule-book that we will abide by in the coming months. Please show up and know the rules.

*We will use regulation high school footballs.

*Any personal foul calls of any kind will require the team to pay \$20 to continue playing that game. Two personal fouls will remove you from play for the entire weekend.
